Spring Has Arrived!

If you're a calendar watcher, the first day of spring this year is March 20th.

Gardeners, fishermen, bird watchers, college students and others all have their own signs that mark the beginning of spring.

We celebrate the end of winter and the start of spring when planning for the GSCC build gets into full swing. Let us tell you, **Spring Has Arrived!**

The Steering Committee is well into the planning stages for the 2012 build.

We have a build schedule that begins with Pre-build on 4/14 and concludes on 6/12 with Dedication.

Attention Church Reps

It's time to request funding and Gifts-in-Kind from your church members and to begin to line up volunteers.

All forms for the 2012 build will be available shortly on the GSCC website.

Also, the Fund Raising Subcommittee will be providing you with innovative ideas for fund raising in your churches.

Church Reps should plan to attend Steering Committee meetings as often as possible. Your input, feedback and ideas are essential to a successful build.
